AND

Truckee Republican

77th Year, Number 1 | Truckee, Nevada County, California, Thursday, February 7, 1946 | Since 1869

Unanimous Vote Adds Territory To Local Utility

Residents of the area included in the proposed annexation of property to the Truckee Public Utility District voted unanimously to join the district at the special election held Tuesday at which there was a 100 per cent turn out of eligible voters.

The count was seven for and none against the annexation.

The district will now include all the property from the east end of Donner Lake to the west boundary of the San Francisco Flycasters property, including the California quarantine station and will extend from the Nevada-Placer county line on the south to a mile north of Truckee This roughly puts about 28 square miles of territory in the district's boundaries.

In explaining the annexation, Manager C. Edmunds said that the newly annexed territory would be privileged to enjoy the benefits of the district only if they financed the cost of line and service extensions, with the old area not being required to pay for extending the lines if they are desired.

NORTH TAHOE

by MADELINE GALLERANI

Mr. and Mrs. John Lauthern of Tahoe Vista returned from Missouri on Wednesday where they had been at the bedside of Mrs. Lauthern's mother who was seriously ill.

Mr. and Mrs. Bob McCormack of Kings Beach are now residing in Carson City where he is employed.

Charles Nassara of Stockton visited on Monday with friends in King Beach.

Betty Blough of Tahoe Vista suffered two fractures in her leg when she fell while ice skating. She was driven to Carson City where a physician attended her.

Kings Beach Mothers Club had its monthly meeting on January 31. The members agreed to buy a year's subscription to the Popular Mechanics for use in the school room. All members are urged to attend the next meeting on February 28 at which time election of officers will be held.

Henry Randig of Tahoe Vista sustained a wrenched knee when he fell on the icy pavement in front of his home.

Mr. and Mrs. Ike Miles and Mr. and Mrs. Earl Nelson are jointly enjoying a vacation in the bay area.

Kings Beach Elementary School is condutcing a drive for old clothes to be sent to the needy in foreign countries.

Mr. and Mrs. Fred Baker of Tahoe Vista were hosts at a card party at their home on Saturday evening. Those attending were Mr. and Mrs. C. E. Mandeville, Mr. and Mrs. W English and J. J. Mandeville.

Mr. and Mrs. Harry Chanison of Kings Beach returned on last Thursday from a visit in Pasadena.

Mr. and Mrs. Orin Branch of Tahoe Vista entertained friends at a dinner party at their home. Among their guests were Mr. and Mrs. A. Gallerani, Ann Gallerani, Pearl Gallerani, Bartow Barnett an Harvey Martin.

Bridge Club Meets At Home of A. R. Ghirard

The Wednesday Eightsome, a group of Truckee matrons who have organized themselves into a bridge club, met yesterday afternoon at the home of Mrs. A. R. Ghirard where they enjoyed the session of cards and the refreshments.

The group includes Mesdames R. P Bick, H. T. Langille, B. J. Riordan, W. M. Englehart, Sr., C. B. White, W. F. Wilkie, A. P. Leitch and the hostess.

One Hurt in Four Way Accident Sunday A. M.

Only one person, Gloria Levan, 23, Carson City, was injured in a four-way automobile accident just east of Boca Sunday morning at one o'clock.

A car driven by Cleaven Hulbert, 32, Richmond Negro, stopped on the highway and three other cars driven by Robert Paetzold, 30, Shoemaker, Edison M. Levan, 23, Carson City, and Frank Levan, 31, Carson City all crashed into one another.

State Patrolman T. F. Sheehan issued citations to all four drivers, charging Hulbert with parking on the pavement and not having a driver's license and the others with driving without due caution.

There were 15 motor vehicle accidents reported during the month of January.

Snow at Shingle—

Mrs. Stella Watson of Tahoe wrote from Shingle where she is spending the winter that they had one inch of snow there February 3, which is unusual for 900 feet elevation.

Gifford Here—

Mr. and Mrs. Robert Gifford arrived here last week, following the return of Gifford from European service with the army. Gifford expects to resume his employment with a local oil concern if housing accomodations are found.

Tahoe Region Seeking Data On Annexation

KINGS BEACH— The North Tahoe Community Club met on January 30 to consider joining the Truckee Publi Utility District for electrical service. C. Edmunds, manager of the district, was the speaker.

A petition for an election is being considered for presentation to the Placer county supervisors. If the project is carried through it will mark the extension of the Truckee district beyond the Placer-Nevada county line. The proposition has been under discussion for some time but the meeting on January 30 and one held last night were the first positive steps taken.

Between 60 and 75 people heard the procedure required and advantages to b gained. State law provides that the present board of directors, in the event of the annexation of the Tahoe area, would be expanded from three to five. Two would be named from the Nevada county area, two from the Placer area and one from the district at large.

Both meeting were held in Carpenters' Hall in Kings Beach. J. F. Miles, vice president of the community club, presided at the first meeting.

MISS ELLIS IS BRIDE OF ETO VETERAN IN VERDI CEREMONY

A double ring ceremony performed at Verdi, Nevada, on February 1st, united Miss Millie Ellis and Karl Kielhofer. The young couple were attended by V. A. Sassarini and Miss Dixie Lee Evans and only immediate members of the bridegroom's family were present.

The bride's grey ensemble was completed by a corsage.

The party returned to Truckee and a wedding dinner was served at Cozzi's Cafe.

Mrs. Kielhofer attended schools in Bakersfield and later came to Lake Tahoe where she was employed before taking a position here in the business office of the Pacific Telephone and Telegraph Company.

Kielhofer, a life long resident of Truckee, returned last year from Europe where he had seen service with the famous mountain infantry division and resumed his work with Sierra Pacific Power Company.

The young couple expect to make their home here and are receiving the good wishes of their friends.

Club Problems Subject Of Rotarians' Meeting

Organizational problems occupied the Rotary Club meeting here on Monday night. Dennis Jones of Soda Springs was program chairman and headed the discussion. President Art Couillard appointed the following committee heads at the meeting: H Ciardella, community service; Steve Aplin, club service; Dennis Jones, Theodore Schleuter and Ciardella, membership and attendance; Schleuter, classification, and Jack Wolert, fellowship. Tom Buell will continue to handle Boy Scout affairs and Bill Meyers will continue as counselor of the Teen Age Club.

Ciardella gave a report on the Victory Clothing Collection here in which, among other things, 155 pairs of shoes were gathered for foreign relief.

Paul Norboe of Soda Springs and William Rindfleisch, Brockway, were guests.

Summit Sport Shop Ski Service Being Improved

Gene Woods of the Summit Sport Shop at Beacon Hill Lodge, announces that they will have in operation this weekend the first Sweden Freezer rope tow, capable of transporting five people 500 feet up a 30 per cent grade in one minute.

Woods also reported that the ski school, under the direction of Grats Powers will go into operation this week with Bob Brelsford, who for three years was a ski instructor in the army, as the head instructor.

Still another innovation at the Summit Sport Shop is the installation of a photographic shop under the supervision of Ernest Nordstorm, who, with Woods, operates the shop. Many other improvements and additions are planned.

Shattucks Go to San Jose After Accident Of Kin

Mr. and Mrs. V. C. Shattuck left Monday for San Jose upon receipt of word that the former's father, who is 88 years of age, had suffered a broken hip in a fall at his home Sunday. Because of his general health his condition is held serious.

Los Angeles Vacation—

Mr. and Mrs. W. H. Perkins returned last week from Los Angeles where they visited the former's son who is gaining fame as a cartoonist for a large moving picture concern.

At Tourist—

George Zorich is working at the Tourist Cafe.

Supervisors Get Local Cemetery Petition In Week

The board of supervisors last week scanned a petition signed by 60 Truckee residents calling for a separate cemtery district for the local area. The county proposes to organize a county cemetery district and it is believed by the local signers that a separate district for Truckee will be more advisable.

The proposed curfew ordinance was held up again when it was learned that Grass Valley and Nevada City are planning similar ordinances and it is hoped to have them all more or less uniform, according to Supervisor H. G. Loehr of Truckee who attended the session.

VALENTINE DANCE LIMITED TO 100 AT CAPITOL ON FEB. 16

Preparations have been completed for the Valentine dinner dance to be held at Capitol Hall Saturday, February 16, when members of the Firemen and Lions Club and their guests will enjoy the program. Reservations must be made with N. F. Dolley, Steve Aplin or Roy Waters before next Thursday. Only those with tickets will be admitted and the ticket sale will stop Thursday. Only 100 tickets will be sold, Aplin said.

History of Nation Topic At Lions Club Meeting

Mancel Justice, teacher at the high school, gave an interesting review of American history at the meeting of the Lions Club last night, tracing the various phases of the country up to the 20th century. C. B. White presided. Guests were Harry Digesti and Maurice Franzini both of Truckee.

Week End Storm Adds Ten Inches On to Pack

The past week end snow storm brought 10 inches of new snow, containing 1.04 inches of water, at Truckee, bringing the season's total above normal up to 12.53 inches, according to District Ranger H. I. Snider. The month of January fell below normal three inches in precipitation but the snow pack is well frozen and snow melting catch basin shows very little melted to pass into the ground in shaded areas, although considerable melting occurred on south slopes, especially where patches of bare ground showed at the lower elevation light snow fall areas, Snider stated.

The last snow as light in texture with cold temperatures and afforded excellent skiing conditions for the snow playfields and ski tows in this district.

Bay Firm May Install Pole Factory in Region

L. V. Oksen, representative of the J. H. Baxter Company of San Francisco, has been in Truckee and vicinity during the past few weeks in an effort to secure stumpage for lodge pole pine trees suitable for making poles. Oksen is contracting to purchase the trees and may, if conditions permit, install a creosoting plant in Truckee and perhaps one at Cisco for the purpose of treating the poles before shipment.

Registration Record Is Made by Office Here

The Truckee office of the California Highway Patrol this year issued nearly 500 license tabs, almost double the number issued last year, and turned in more than $2,000 more than last year to set a new record for licenses issued locally, according to H. B. Fowler, officer in charge. The renewal period ended Monday with a last minute rush of 92 registrants and a penalty will be added for future registration if the vehicles have been in use.

Loehrs' Guests—

Mr. and Mrs. Henry Loehr returned from Folsom and Roseville last week end accompanied by Mrs. Edward Freitas and daughters Rosalee and Lyla Frances. They will remain here until Freitas, who is in the navy receives his expected discharge the latter part of the month.

At the Lake—

Mr. and Mrs. Carl Brooks have returned to Kings Beach where he is employed as a carpenter.

$360 Taken Here In Drive

Truckee district contributed $360.48 to the March of Dimes, of which $200 was collected by officers of the Truckee squad of the California Highway Patrol, $84.53 from the cans left in half a dozen local stores and $75.95 donated at the Donner Theater. Of this total one half will be used in the national research and cure work and the other half to revert to the county for local work against infantile paralysis.

The Truckee contributions were forwarded to Nevada City and will be handled by the Nevada County association.

EXTRA PONDS AT TALLAC PLANNED WITH STATE FUND

A. G. Bradshaw, president of the Truckee Outdoor Sportsmen, returned from the meeting of the California Fish and Game Commission held at Los Angeles and reported the meeting quite successful from a local standpoint.

One of the most favorable reports came through Emil Ott, executive secretary of the commission who told Bradshaw that most of the $60,000 to be expended on the Mt. Tallac Hatchery at Tahoe will be for increasing the water supply and erection of additional holding ponds. The latter will permit holding the trout until they have reached a size better suited for planting in local streams. An additional $15,000 will be spent on improvements at the Tahoe Hatchery and there is still some question where the new $200,000 hatchery for this region will be located.

Truckee Garage Leased To Southern State Pair

The Truckee Garage on Spring Street, owned by A. R. Ghirard, has been leased by Henry Hudson and Max Kappner of Los Angeles, who have already taken possession of the place and have started operation.

Hudson is well known here having worked for several months with Morrison-Knudsen Company as foreman. Kappner is his brother in law and a nephew, William Goree, will be associated with them in the conduct of the garage.

The new partners have families and will move here as soon as housing facilities permit. In the meantime, the Hudsons are residing at Gateway Motel.

A car agency is being contemplated and the usual service and repair will be offered at the establishment. The garage has been idle for some months but is well equipped and ready for business.

Hazel Nelson Is Wedded At Long Beach Ceremony

On Friday, February 1 at Long Beach, Miss Hazel Pearl Nelson was married to Sam Cox at a pretty ceremony attended by members of the family.

The bride, who has made her home with her uncle and aunt, Mr. and Mrs. Ben Tonini, attended Truckee schools before the well known family left several years ago to make their home at Moro Bay.

Cox is in the navy and expects his honorable discharge later this month.

Nick Sassarini In U. S., Waiting For Discharge

Nick Sassarini, who for the past three years has been with the combat engineers in the China-Burma-India theater, wired this week from Vancouver, Washington, where he is awaiting a discharge and transportation home. The wire to his parents, Mr. and Mrs. Luke Sassarini, did not indicate when he would arrive but told them not to attempt to contact him there as he was leaving.

In Los Angeles—

Lloyd Clark of Boca left Saturday to spend a few weeks in Los Angeles.

From Placerville—

Mr. and Mrs. Jack Langille and children of Placerville were the week end guests of Mr. and Mrs. Harold Langille.

To Salt Lake—

Mr. and Mrs. William Englehart Sr., plan to leave by train tomorrow for Salt Lake City where they will visit friends and see other points of interest before returning.

By WALTER M. BARRETT

Truckee Post of American Legion this week elected a new staff of officers, most of whom are veterans of World War II. This is a healthy sign. We believe the younger men will carry on the work in a way which the veterans of World War I prescribed and which has made the American Legion the strong, hard-fighting organization that it is, devoted to the welfare of the veterans of the two wars. We wish the younger leaders all the success possible and extend to them our willingness to cooperate fully.

Speaking of the veterans, last week one of the recently discharged vets, who has lots of service to his credit, went into business for himself. He has taken over the management of the Railway Express business here and promises to devote his full time and efforts to making it a more successful enterprise. We hope Truckee will respond and give him all possible support and cooperation. Welcome into the business life of Truckee, Roy Waters.

Truckee's response to the March of Dimes was very gratifying. It proves again that in worthy cause and one which merits support, the people of this community can be depended upon to do their share. While $360 is not a fortune, it is nonetheless a goodly share to be contributed in pennies, dimes and dollars and we know that if every town contributes as much in proportion that the fund will be swelled to far more than could be anticipated and that the hundreds of children depending upon the March of Dimes for health will be greatly benefitted.

Federal Tax Expert to Be at Riverside Soon

A deputy collector of internal revenue will be at the Riverside Hotel in Truckee February 13 and 14 between 8:30 in the morning and 5 o'clock in the evening to assist local taxpayers with their problems in preparing their income tax returns for the federal government. The return must be filed not later than March 15.

All persons who had an income of $500 or more during 1945 must file.

PTA Holds Founders' Day On February 1st

An impressive Founders' Day service was held in the grammar school auditorium on Friday, February 1, by members of the Parents and Teachers Association.

Mrs. Thomas Mellon was orator for the annual event and the following members acted as candle bearers during the ceremony: Mrs. E. L. Loynd, Mrs. Elden Tonini, Mrs. George Griggs, Mrs. Thomas Sheehan, Miss Margaret Gallagher and Miss Juletta Kopanger. Piano selections were played by Mrs. George Kamp and Mancel Justice.

Mrs. Griggs was chairman of the refreshment committee and those present enjoyed a visiting hour at the close of the meeting.

Plans are being made for the next meeting of the organization which will be held at the grammar school on Friday, March 1.

Sheehan Again Heads C.S.E.A. Chapter Here

T. F. Sheehan of the California Highway Patrol was reelected president of Donner Chapter No. 56, California State Employees Association, at a meeting held Thursday at Moro's.

Other officers elected at the meeting were Allan Pollitt, vice president; W. C. Gage, secretary-treasurer; T. T Buell, councillor, and Homer Hixson, sergeant at arms. Buell was also named delegate to the general council meeting to be held in San Francisco February 23 and 24.

Several resolutions were adopted and will be taken to San Francisco by Buell for action of the council.

Mr. and Mrs. Alex Donaldson of Tahoe returned last week end from an extensive trip to eastern Canada Donaldson reported the weather extremely cold in many places.

Mr. and Mrs. Charles McKinley of San Leandro and William Y. Browning of Berkeley were guests at the R. N. Little home during the past weekend.

Dance Planned By Vets' Group On February 23

Truckee Post No. 439, American Legion, has decided to revive its annual Washington's Birthday Dance this year. The decision was reached at a well-attended and lively meeting in the Veterans' Memorial Hall on Tuesday night at which Commander Frank Kinne presided and new officers were named. The dance will be held in the hall on the evening of February 23rd with Daryl Gaiennie, Max McGwinn, Frank Titus and Al Henry, Jr., on the committee in charge. Refreshments will be available and good music is promised by the committee.

During the election, Gaiennie was elected commander for the 1946-47 term. He will be installed, with the other new officers-elect, at the May session of the Legion. Other officers named were Frank Titus, first vice; Leroy Wilson, second vice; Douglas Barrett, adjutant; Max McGwinn, finance officer; Roy Waters, chaplain; James McIver, historian; Milton J. Snontz, sergeant at arms; E. A. Parker, service officer, and Heslin Cardinal, custodian. Gaiennie named Henry and Kinne to serve on the executive committee with elective officers.

All the new officers, with the exception of McIver and Parker, are veterans of World War II.

VETERANS RETURN TO FOREST WORK IN THIS DISTRICT

On February 11 William Curran William Curran will return to his job as dispatcher of Truckee district of Tahoe National Forest and Fred White, who efficiently handled the position during Curran's absence in the armed forces, will transfer to a similar position in Camptonville district, announces District Ranger H. I. Snider.

James Andersen, formerly forest service patrolman from the local headquarters, also has returned from his services in Europe as paratrooper without any mishaps and called this week to put in his bid for reinstatement in this district next summer.

George Clark, former fire protection truck driver, also is in line for return to service in Truckee after his return as paratrooper in both the Pacific and European theaters.

Snider states that returning veterans are surely a welcome event to fire protection and suppression forces which have been laboring the past two years with serious handicap.

Waters Takes Over As Railway Express Chief

Roy Waters, who was recently discharged from the army after three years of service in Europe, has taken over the Railway Express Agency here effective February 1. Waters is a native of Truckee and is widely and favorably known here.

The new manager proposes to keep the office open during business hours, a feature which should find favor among local patrons. He is also maintaining the usual pickup and delivery service.

Truckee Merchants to San Francisco Markets

At least five Truckee business people this week are attending the San Francisco Market Week to replenish their stocks with the newest and best merchandise available. Mrs. Dave Cabona of Cabona's left last week for Bakerfield and will return to San Francisco this week to attend the showings. Yesterday E. L. Loynd F. W. Gaiennie and W. A. Loynd of Rasco and Loynd's Truckee Drug left for the city accompanied by H. T. Langille of the Rotary Oil and Burner Company.

KITCHEN SHOWER

Mr. and Mrs. Sam Costa were guests of honor Monday evening at a kitchen shower given at the home of Mr. and Mrs. T. F. Sheehan at which 24 guests were present. Following the dinner games were enjoyed with Mrs. Annie Tonini winning first prize at bingo and Mrs. Elden Tonini, second prize.

Mr. and Mrs. Albert Bradshaw returned from Los Angeles where he attended fish and game sessions and Mrs. Bradshaw visited relatives she had not seen for 19 years.

CAPITAL WEEK

BY UNITED PRESS

SACRAMENTO, Feb. 7 —(U.P.)— The question of most interest to a majority of legislators today was whether Gov. Earl Warren would sign or veto the $90,000,000 city-county "Christmas Tree" bill, which he is expected to have before him any day now.

The governor has remained noncommittal on the subject, but he told reporters he was "not anxious to see it on his desk."

Sen. T. H. DeLap, Richmond Republican who has been carrying the ball for the governor in his state construction program, was outspoken about what he thought the governor would do.

He said, "It is more than a possibility, it is a probability that the bill will be vetoed."

In one sense there was no question at all, however, as to the fate of the Warren $154,000,000 state construction legislation: it was going to remain stuck fast in the senate until the city-county measure is acted upon.

But there was a possibility—although how much of a one was not known—that the apportionment of the $154,000,000 would be hacked to $89,000,000. Sen. Randolph Collier, R., Yreka, proposed doing this in an amendment to the construction bill due for presentation this week. He said he wanted to see the bottom half of all projects for each agency clipped off.

Although more than 150 bills had been introduced in the assembly and more than 100 in the senate, it sometimes seemed as if the only thing the legislators were interested in was the big money. It looked even more like that when a week's review of the bill "side-tracking" was made:

A bill on full employment designed to establish a "labor budget" agency was blocked in the assembly chamber and its sponsor, Lester A. McMillan, D., Los Angeles, thus far had not been able to collect enough votes to have it passed on to the senate.

A measure calling for a fair employment practices act was tabled by the assembly committee on government efficiency.

A disability insurance bill, drastically amended, still awaited senate passabe. As ti was introduced by Sen. John F. Shelley, D., San Francisco, the bill would have paid up to $20 a week for a maximum of 23 weeks for sickness or disability. The amendments prevent a person from adopting both unemployment and sickness benefits for maximum periods and make provisions for voluntary disability plans.

But housing again received favorable handling by the members of both houses. While the $7,500,000 emergency housing program for veterans proceded hrough the "red tape" unhindered, additional measures to provide state college and university dormitories were introduced. Altogether a total of nearly $13,000,000 was being sought for this purpose.

The bond issue to finance veteran farm and home loans, provided for at the last regular session, was raised by the assembly to $100,000,000 and sent to the senate for approval. The upper house previosuly had agreed to up the original figure of $50,000,000 to $75,000,000. The assembly also approved raising the home loans to $7,500 and the farm loans to $13,000.

Other legislation acted upon this week included senate approval of a $3,500,000 appropriation for the temporary continuation of child car centers. A "means test" to determine the need of persons placing their children in the centers was written into the bill; the assembly still was considering the measure as amended by the upper house.

Fixing the state speed limit at 50 miles an hour maximum was approved by the assembly transportation committee. The state's ancient jallopies and much re-capped tires are causing this demand for a lower rate.

Two initiative propositions were prepared to be placed before the voters next fall—if they receive the necessary 178,764 signatures. One would require candidates in state elections to run only on their own party tickets. The other called for state senate representation on a population basis.

Death took one of the members of the assembly. Charles L. Guthrie of Porterville collapsed while addressing a weekend meeting in Santa Rosa and died later in a hospital.

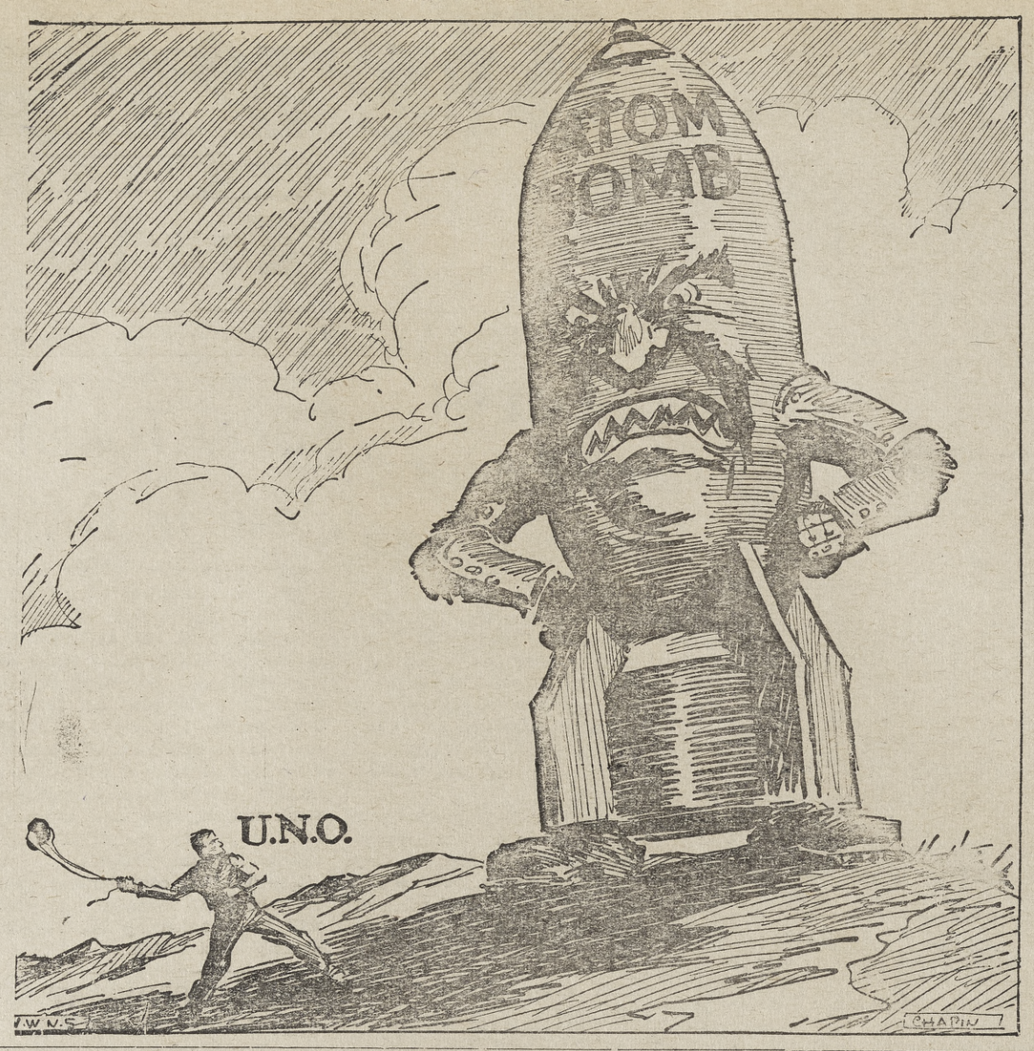
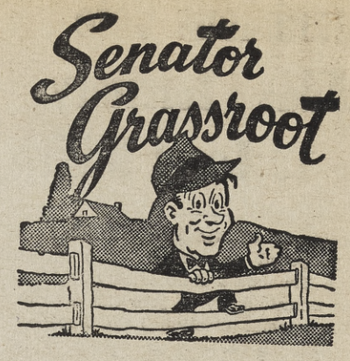
David and Goliath



Senator Grassroot



From where I stand, it looks like this—

You can feed a hen enough grain. Beyond that the hen will eat all the grain you toss her—but she won't lay any more eggs. As a matter of fact, chicken ranchers tell me that if you feed a hen too much she gets fat and lazy and won't lay as much.

You know, the federal government is sort of like a hen. For a long time now we've been throwing into that federal feed hopper an awful lot of grain that you folks have had to buy with your taxes and War Bonds.

Lately, we've been hearing talk about "balancing the budget." Some of my colleagues took this talk seriously when the Independent Offices Appropriation Bill for 1947 came up in the House last month. Those are just fancy words for the funds you taxpayers put up to run 22 federal agencies.

Now, some of us in Congress thought that, what with the war over, the government is in a position to cut down on the federal flock. You know that during the war Uncle Sam took on more than two million more employees, and we figured a ten per cent cut in the salary funds for those 22 agencies (excepting, of course, the Veterans' Administration) wouldn't be out of line. If they're going to cut down the flock, there's no sense in throwing them the same amount of money—and it ain't exactly chicken feed, at that. That would make 'em fat and lazy.

But, you know what happened? The others voted us down, 175 to 145!

Maybe you folks should elect a few chicken ranchers to Congress next fall.

The Great Pyramid

If the tone used in building the Giant Pyramid at Cheops in Egypt, as it stands today, were utilized in a stone wayy, one foot thick and six feet high, it would be over 2,500 miles in length—more than enough to reach from New York City to San Francisco. The pyramid is 451 feet high, 750 feet long on each base, and contains over 3,000,000 cubic yards of material.

TAHOE NEWS

by SWANEE Telephone Tahoe City 66J

SKI CLUB TO MEET TOMORROW NIGHT AT TAHOE HALL

TAHOE CITY— Tahoe Ski Club members are reminded of the club's nex. meeting at community hall on Friday, February 8, at 7:30 p.m.

All is in readiness for Tahoe's Invitational Ski Meet here on February 17th, which is sanctioned by the California Ski Association. Tournament Director Bill Bechdolt has not announced the names of the officials who will serve. Thirteen clubs have been invited to participate.

The new snowpack assures good jumping and slalom and downhill courses and a large crowd is anticipated, with Charlie Swanson and Harry Johanson taking tickets at the gate.

The meet will start at 10:30 a.m. and events scheduled will be the C and D jumping and the running of the giant slalom. Following lunch at the ski hut the A and B jumping and two runs of the regular slalom course will be made. Three prizes will be awarded for each event.

Following the last event the crowd will be invited to a buffet lunch at Firpo's Lake Inn, a short distance from the hill, where awards will be made and a social hour or two enjoyed.

$417,656 FOR RELIEF IN PLACER COUNTY DURING LAST YEAR

AUBURN— Direct aid paid to the needy aged, blind, children and general county relief in Placer county last eyar amounted to $417,656, the state taxpayer's association said this week. Peak month was December when $35,746 was paid out while in March a low of $34,030 was dispensed.

TAHOE VISITOR HAS LIMB BROKEN IN FALL ON ICY WALK

TAHOE CITY— The pleasure anticipated by Mr. and Mrs. Martin Spitsen and their daughters during their holiday visit with aunt and uncle Norman Mayfield at Tahoe was turned into disappointment and worry following Martin's unusual accident on Saturday. While walking home the short distance from the Village Store to the Mayfield residence Martin slipped on the treacherous ice thinly coated with fresh snow and fell heavily against an eight inch icy snowbank along the side of the highway. His left leg was broken in two places, both bones having bad breaks—one just above the ankle and the other just below the knee.

Constable Harry Johanson, summoned to the scene to administer first aid, placed a tractio splint on the leg, which St. Mary's hospital attendants later stated was an excellent job. Carl Wheat's station wagon was borrowed and the injured man was taken to the Reno hospital That night an operation was performed and his leg is now in a cast, which he will probably wear for three months. He must remain for an indefinite period in the hospital and when able to be moved will return to his home in Oakland. His family plans to remain here until such time as he can stand the trip.

Only a few weeks ago Mrs. Mayfield suffered an ankle injury in a fall while skiing which will keep her on crutches for a month or more. Many falls have been taken by Tahoeites during the past few weeks but none with such serious consequences as Spitsen's. He is an Oakland building contractor.

TAHOE LETTER To The Servicemen

From SWANEE

Tahoe City, California.
Feb. 3rd, 1946

Dear Tahoeites:

Another Sunday evening rolls around and while Ray and Sherwood Prusso, our next door neighbors, engage daughter Marie and Pop Swanson in a lively game of pinochle, I'll try and catch up with the week's events for you.

First of all, we've had a generous snowfall which left over a foot of new snow at this writing out our way. It's just what the doctor ordered for the Tahoe ski hill, as it will fill over the icy spots left by the sunny days and freezing nights of the past three weeks. It's a real God send at this time. The trees hang heavy tonight, and a beautiful fringe of icicles adrons our southern eaves. The barometer still remains down and skies are overcast, so there may still be more snow on its way in.

The highway out our way is clear as the plow has been on the job and made several runs already. One of the chief hazards these days is the icy roads and paths pedestrians must tread. Many a narrow escape from falling in front of the Tahoe Post Office is witnessed every day and there are some who do lose their footing and take painful tumbles. All hope the highway department will spare a little gravel for the dangerous sopt during bad weather. One of our visitors, Martin Spitsen, had the misfortune to sip and fall at Mrs. Bliss' corner in twon with a resultant injury of one broken leg. The story appears eleswhere in the columns of the Sun.

Glad tidings arrived on Saturday when I received a card from Winston Salem, N. C., and a letter from Greensboro, same state, from son Jimmie who arrived there safely and on time. He wrote that he made excellent time and connections all the way, much to his surprise. They are temporarily housed, his group in a camp at Goldsboro, nearby, until room is made for the new arrivals at Greensboro. Until then he and his companions are sleeping late and generally takings things easy. Am awaiting with interest his next assignment.

Also had a most welcome letter from Lt. Comdr. James Easton, who wrote that he had just arrived back in New York on the SS Black Hills with several thousand troops and was leaving the next day for more, probably from the European theatre He expects to be getting out in April with a total of 211 points! Just about the highest in the service. And his dog Wulf will b coming right along witeh him. He hopes to be back at Tahoe some time in May and asks only that the main course of the diner we promised him will be a nice lake trout. He's lucky as the season opens May first and we'll do our part to see that his long cherished wish is granted. He's been getting his Sierra Suns right along and found nothing he enjoyed more only they made him so homsick that he was almost tempted to jump ship and head straight home. He hopes his old friend Chuck Henrikson will wait to get married until he gets home. He'd like to be one of his ushers. Jim promises to write me again from the other side and we'll be happy to hear further of his adventures.

From the vacationing Ben Callenders of Tahoe I had a card last week from Miami, Florida. They arrived in a downpour of rain but the weather soon cleared and they are enjoying sunbathing on the famous beach. Ben overdid a little and is paying for it with a painful case of sunburn which is keeping him in bed for a while. They are finding living accomodations hard to find, and more people are arriving every day.

From Mrs. A. C. Stoddard, now living with her family for the winter at Burbank, I had a card giving me the latest on her sons in service. Leo had called from San Francisco the day previously saying that he expected to become a civilian within a few days, after having served for over three years with the Navy. He planned to head for Burbank as soon as released. His brother, S1-c Curt Stoddard is a member of the mine sweeper Triumph, and is now at Richmond where his ship is undergoing an overhaul. He was planning on spending some of his liberty with his family while his brother Leo was home. Sister Barbara is attending Burbank high school and liked it heaps. The Stoddards receive their Sierra Sun each week and all enjoy it.

On Tuesday last Tahoe, and the Swansons, welcomed back ti the lake one of our favorite sons. It was former Cpl. Ray Prusso, son of the Everett Prussos, who spent three and a half years in the Marines, 21 months of this time divided between Saipan, Hawaii and Japan. Our former neighbor Henry Worden, now living in San Leandro for the winter, brought him up when he motored up with some windows for his new house in Tahoe Park. We treated Ray and brother Sherwood to dinner on Wednesday night and snappy pinochle games have been frequent occurrences ever since. Ray accompanies his brother on his trap line every day and it is paying off dividends as Sherwood to date has caught 20 muskrats and two mink.

R. T. Norman Dewhurst of Treasure Island arrived at the Henry Soll home on Friday evening late where he joined his wife Mary Jane who has been vacationing over the past two weeks. They left for home on Sunday.

Jack Hemple is out of the service and has rented the Hinkle house in Bittencourt Tract for the winter. His parents live in Brockway.

Chief Warrant Officer Phil Asal, son of Mrs. John Pingree of Tahoe City, has been granted a 14 day leave and is spending every bit of it at Tahoe where he is daily becoming more proficient in the art of skiing His ship, formerly scheduled to go to the European theatre, may now go down south Pacific way. His years of service during the war took him all over the world and he plans to remain in and mak the navy his career.

Am sorry to report that some of us Tahoeites who on Wednesday last had planned to go to the funeral in Sacramento of our old friend, Mrs. Minnie Pomin, failed to carry out our good intentions. On the morning we were scheduled to leave Mr. Soll became ill and the trip had to be abandoned. We were especially sorry afterward that we culd not go as we learned no one from the lake was there although many large and beautiful floral pieces were sent.

Leave you for another week and as I finish this on Monday morning can't determine whether the storm is over or not. Light snowflakes are falling at this writing and the skies are again overcast, although brilliant sunshine greeted us earlier. The barometer has risen two points so it's a toss up on fair or stormy weather.

Send our most cordial greetings to you all from the home folks and may good fortune light your ways. May God be with you today and always. As ever, SWANEE

PLACER SHARES IN EL DORADO FOREST FUND WITH OTHERS

AUBURN— Based on 25 per cent of the receipts of El Dorado National Forest for the fiscal year ending June 30, 1945, Placer county will receive $2,872.52 as its share of the $41,972.27 fund. The money is to be used for public schools and public roads.

Other counties sharing the El Dorado forest fund are Alpine, Amador El Dorado, all in California, and Douglas county, Nevada.

TAHOE BRIEFS

Mrs. Sue Enfield and small son Michael have rented the Tiffee cabin for the winter months.

Here for the week end from Oakland were Harry Blanchard, Arthur Redner and Richard Duffy. Dick has joined the Lake Tahoe Ski Club and is spending every availble moment in becoming a good skiier.

The lake level on Monday morning stood at 6227.28 with 51 CSF of water leaving the gates in town. Precipitation for the week was 1.1 inches Coldest day was on January 30 with 5 above and warmest was on the 31st with 42 degrees. Ten inches of new snow fell in Tahoe City on Saturday and three inches on Sunday bringing the total measurement on the ground to 38 inches.

Mrs. Harry Johanson has returned home following a visit at the home of her parents, Mr. and Mrs. Henry Zacharias of Sacramento.

Mr. and Mrs. George Percy and two daughters enjoyed the weekend at their Tahoe Park cottage. They live in Berkeley.

Mr. and Mrs. Clarence Vernon of the Bittencourt Tract write their daughter Florence that they are enjoying their vacation despite the difficulty of securing lodgings and the bad weather they occasionally encounter. Their last letter was written from El Paso, Texas, and they were then on their way to Mexico. They enjoyed a visit of ten days in Los Angeles, visiting with relatives and friends.

Miss Vernon also received a letter from Mrs. Rose Boyiaredes, owner of Tahoe's Honeybunch Cafe, who recently made a trip to her ranch at Prescott, Arizona. A nephew who had managed the property for her passed away and she had to make the trip. She is now back in San Francisco and writes that she can't wait to return to Tahoe, which will be some time in late February.

Newlywed Mrs. Gene Walker is in San Diego for two weeks, where she is attending to business affairs. The Walkers will occupy one of the Bechdolt houses on the circle in town.

Friends are learning here this week that Mrs. Elizabeth Walker of the Truckee River is being confined to her bed for a period of six months as a result of a recurrence of an old leg injury, being able to get about occasionally on crutches. Her caretaker, John Franklin, has also been seriously ill with rheumatism and a bad cold.

Members of the Tahoe Gun Club are holding weekly target practice on Wednesdays at a spot on the lakeshore across from Henry's Garage in town. Last week Game Warden Art Sholes and his wife of Arcada were guest attendants with Game Warden Bill LaMarr and his wife.

At Schleuter's Cabins were a group of ski-minded Boy Scouts from Oakland. The party included R. A. Richardson, Frank Schwartz, Herb Townsend, Paul Schmidt, Bob Sturges, Gerald Turnick, Louis Fish and William Kendrick. Other skiing parties at Schleuter's included Mr. and Mrs. J. M. Rosfield and two sons of Oakland and H. Herlyn and party of three from Oakland. Twenty-five guests spent the past weekend at their cabin resort. A group of ten included Mr. and Mrs. Orville McCollum, Mr. and Mrs. Ted Krasky, Mr. and Mrs. Glen Cox, Jack Love, Ben Balles, Shirley Bronton and Gertrude Ash, all of Oakland.

J. E. Pomin of Idlewild returned to Tahoe on Wednesday after attending his wife's funeral in Sacramento.

Going to RENO?

. . . there's a GIBSON LINES Bus to take you

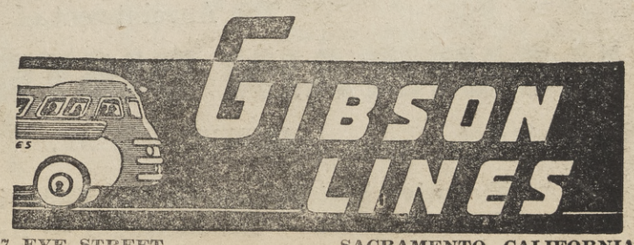
It will take you wil all the comfort, courtesy and safety that GIBSON LINES are serving the other communities throughout Northern California.

But at the present time we are limited only to service from your community to points over the state line or from points over the state line to your community.

An application is now pending before the State Railroad Commission to remove the existing restriction and enable us to bring full service to your community to and from all points that we serve.

In our operation in other sections of the Sacramento Valley, the inestimable value of local inter-city bus transportation has been proved. It has resulted in community growth because a local carrier can best understand community needs and readily re-arrange schedules accordingly.

It is this same type of local transportation service that we propose to bring into this territory if our petition to do so is granted. This additional transportation will mean much to the upbuilding of your community and the entire area through which we operate, so anything that you can do to help bring this about is to your interests to do so.



1117 EYE STREET SACRAMENTO, CALIFORNIA

MY PLACE in the SUN

by DOUG BARRETT

Street Seens: Gaston Hocker and Sam Costa manning the state's pusher plow to clear off the main drag ....Roy Waters busy with his recently acquired Railway Express ....Frank Titus, Johnny Rablin and Ken Snider tamping down the jumping hill....with exhibition jumping slated for the week's end....Floyd Clark in from Boca....Marion Follett back and working at Bank of America....Lyle Smith doing a wire job on the Sportland....Elizabeth Dorr shopping in Cabona's....Angelo Besio making a good job clerking at Tonini's....Jerry Kane, shovel in hand, going to rescue a snow bound car....Red Jolly off to the Sugar Bowl to put on a skiing show with Maestro Titus....Charlie Cozzi, Bob Ciri, Lucille Little and Elden Tonini all busy this week cleaning snow off the sidewalk....Frank "Vagabond" Kinne back from his vacation looking fit as a fiddle....Father Dosch getting trimmed.

‡ ‡ ‡ ‡

Mrs. Dorr, principal at dear old Meadow Lake Union High School (you can't climb the hill and say it at the same time), has hit on a good idea for utilizing the experiences and obesrvations of the area's ex-servicemen. She is asking several of the veterans to speak at student body meetings with question periods following. During the current week, Charlie Ochs of Tony's Coffee Shop and Dale Lapish, former SeaBee talked on the navy and various Pacific Isles. Mrs. Dorr is trying to get a variety of such programs lined up and, from first reports, they are proving popular with both faculty and students. It is a new departure in education here and should get the cooperation of all concerned.

‡ ‡ ‡ ‡

A group of the younger bloods about twon are really beginning to take an interest in the community and are seeking to bring new life in the war-tired civic arteries. The Legion meeting on Tuseday and the preliminary steps toward formation of a Truckee Ski Club this week predict a virile and healthy future for the entire eastern Placer-Nevada region.

Balanced?

All our meals are planned by trained dietians. They know how to balance a meal and make it tasty and attractive, too. No need to worry about vitamins when you eat here.

Goodfellows Cafe

—SERVING THE BEST—

Mr. and Mrs. E. A. DeLisle Truckee, Calfi.

THE DONNER THEATER IN TRUCKEE will feature the Paramount film "Kitty" on its program Sunday and Monday, February 10 and 11. Paulette Goddard, above, is in the title role with Ray Milland as co-star. Kitty is a London guttersnipe who rises through two weddings and much intrigue to win wealth, social position and true love.

Pedro Garces was the first white man to cross the Kern river, in 1776.

Russians from Alaska sowed and reaped wheat on the shores of Bodega Bay in 1809, settled there in 1811.

Supervisors Vote $2500 Toward Park Project

SACRAMENTO, Feb. 7 —(U.P.)— A $2,500 contribution toward the creation of Columbia State Park has been made by the board of supervisors of Tuolumne county.

The money was turned over to the Columbia Historic Park Association, recently formed to raise funds to match a $50,000 appropriation by the legislature to restore the early mining town of Columbia as a state park.

TWO ARE FETED AT PARTY GIVEN AT LAKE TAHOE HOME

TAHOE CITY— Honors at a surprise party, sponsored by the Misses Florence Vernon and Lela Swanson, her houseguest, were shared on last Thursday night by Mrs. Jessie Huston, whose birthday it was, and James Duffy, whose departure called for a farewell party. He has been a guest at the Arthur Redner home following his release from four years service in the south Pacific.

Guests assembled at the Vernon home in the Bittencourt Tract and an enjoyable evening of dancing and visiting was followed at midnight by a buffet lunch and refreshments.

Those enjoying the evening included Mr. and Mrs. Martin Spitsen, Mr. and Mrs. Oscar Quam, Mr. and Mrs. Dwight Ray, Mr. and Mrs. James Goodhue, Mr. and Mrs. Robert Huston, James Duffy, Bob Petreson, Mrs. Lillian Blanchard, Mrs. Sue Enfield and Jack Hemple.

KINGS BEACH MAN TAKES OWN LIFE AT SOUTH TAHOE

LAKE VALLEY— The body of Ernest C. Barnes, 58, carpenter who recently came from Kings Beach to work at the Y Section of Lake Valley, was said by Coroner A. P. Orelli to have met his death by taking a dose of insect poison on Thursday last week.

Orelli said Barnes had been in ill health and have previously mentioned suicide.

Capital City Man Seeks To Rent Placer Lockup

AUBURN, Calif., Feb. 7 —(U.P.)— Placer county officials are considering an entreprenuer's proposal that they capitalize on a housing surplus in the county jail.

A report that the 68-room jail had 55 vacancies brought a letter from J. C. Haflefinger, of Sacramento asking: "What do you charge, and what kind of setup have you?

"I could use maybe four or six rooms, or would rent it all on commission. Do you have any kind of stove a small family could do their cooking on? Or is it just straught rooms and you have to eat out?

"If you will rent the place, at how much a month? Or what kind of commission would you ask?"

Montara, San Mateo county, grows 20,000,000 blossom of "everlasting flowers" annually.

.: TAHOE BRIEFS :.

Among winter sports fans who enjoyed recent frolics in the snow at Tahoe were Mr. and Mrs. Samuel Archibald and sons of Ross, Marin county. They opened their summer cottage in the Lake Forest district for the occasion.

Resort owners report a brisk business in recent weeks, guests over the past weekend including at Homewood Hotel David Adams and party of 16 from Woodland.

MOTHER OF TAHOE WOMAN PASSES IN SOUTH STATE CITY

TAHOE CITY— Friends of Mr. and Mrs. William Bechdolt were sorry to learn on Wednesday last of the death of Mrs. Bechdolt's mother, Mrs. Edward O'Laughlin of Pasadena that night at 8:45 following a long period of illness. The Bechdolts left by plane from Reno immediately. Funeral services were held from St. Elizabeth Catholic Church in Pasadena with burial following in Calvary Cemetery. Mrs. Carl Bechdolt, Sr., left Thursday to attend the services.

Surviving are her husband, two daughters, Mrs. Bechdolt and Miss Patricia O'Laughlin; four sons, Ned, Thomas, Joseph and Jack O'Laughlin and a sister residing in the east.

The sympathy of the community is sincerely extended to the bereaved family.

The city of Auburn in Placer county as incorporated March 29, 1860.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

February 4, 1946

To Whom it May Concern:

Notice is hereby given that fifteen days after the date posted, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Tourist Cafe, Commercial Row, Truckee, Nevada County.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licenses) for these premises as follows:

On Sale General — Transfer.

Off Sale General — Transfer.

Anyone desiring to protest the issuance of such license (s) may file a verified protest with the State Board of Equalization at Sacramento, California stating grounds for denial as provided by law. These premises are now licensed for the sale of alcoholic beverages.

PAMPER Your WATER HEATER!

He's a priceless old dear!

Heavens to Betsy...wouldn't it be awesome if your water heater quit you cold? Here are four ways, however, to pamper the old dear to keep him happily and faithfully yours for a long time.

1. **CUT DOWN ON WASTEFUL USE OF HOT WATER.** Think before you draw even a quart or two of hot water. Was it necessary? Make it snappy when you take a shower. Rinse dishes in a pan...NOT under a running faucet. Use less hot water for a tub bath.

2. **DRAIN YOUR WATER HEATER REGULARLY.** To drain, open the valve on your heater and run water into a bucket until clear of sediment. That's all.

3. **KEEP YOUR WATER HEATER CLEAN.** Brush off the burner occasionly.

4. **DO NOT HEAT WATER TOO HOT!** If your water heater has an adjustable thermostat, set it to 120 degress. It will be easier on your plumbing, too. Remember to call your plumber or repair man only when absolutely necessary. They are busy people these days.

ENGLE INTRODUCES HOMESTEAD CHANGE FOR YOUNGER VETS

WASHINGTON— A bill that would permit veterans under 21 years of age to file homestead claims has been introduced by Rep. Clair Engle.

Commenting on the measure, Engle said: "Under existing law veterans under 21 are barred from making homestead entries. This situation is grossly unfair. If boys from 18 to 21 are old enough to be drafted into the armed services, they are old enough to be entitled to all veterans' benefits, including preferential rights in making entry for homesteads."

The congressman said passage of his bill would assist many veterans who wish to file homestead entries on land to be opened up soon in the Tulelake area, but who are at present disqualified because they are under 21. A companion bill was introduced in the senate by Senator Sheridan Downey of California.

Associated Oil Company Gives 20 Cents Dividend

The board of directors of Tide Water Associated Oil Company, at its meeting held in San Francisco last week, declared a quarterly dividend of 20 cents a share on the issued and outstanding common stock, payable March 1, 1946, to stockholders of record at close of business Februray 11.

QUOTES OF THE WEEK

"I saw a picket carrying a blank sign—looking for a sponsor!" — *Herb Shriner, Hoosier commentator.*

"Let me go. I'm an extinct volcano."—*Virginia-born Lady Astor, arriving in U. S., to reporters.*

"You'll have sled-runners for feet."—*Dr. E. C. Elkins, Rochester, Minn., warning bobby-soxers against wearing moccasins.*

"The price and business situation has become almost chaotic." ——*Rep. Buffett, Neb., demanding examination of OPA policies.*

"The proposal that profits and prices should be considered in wage disputes strikes at the heart of the competitive enterprise system which made our country great." — *Robert M. Gaylord, Rockford, Ill., businessman.*

"I slept in it en route. Very comfortable." — *E. T. Sarman, Bainbridge, Ind., who drove to Florida in a hearse.*

Masons May Rebuild Temple

SACRAMENTO, Feb. 7 —(U.P.)— Masonic leaders met to consider the rebuilding of the old Masonic Temple in Columbia in connection with the proposed historic state park there.

26-MILE RAIL, AUTO TUNNEL IS SOUGHT THRU TEHACHAPI

SACRAMENTO— A bold plan for conquering the Tehachapi mountain range by means of a 26-mile tunnel, has been advanced here by Charles West Jones, senior bridge engineer of the state division of highways.

Worked out in detail, the plan offers a 66-foot wide, triple-usabe bore with a two-lane truck road on one side, a double-track railroad next to it and above these two courses, a four-lane passenger vehicle roadways occupying the tunnel's entire width. Special ventilation area is also provided.

The tunnel would save approximately 500,000 train miles, 5,000,000 passenger hours and some 1,000,000 truck hours a year it is estimated. It would save over $10,000,000 annually in transportation costs. Jones suggests that it be paid out of tolls, as in the case of the bay bridge in San Francisco.

FIRST SUEZ CANAL WAS BUILT IN 1300 B. C.

Not generally known is the fact that an ancient prototype of the modern Suez Canal was in operation, connecting the Mediterranean Sea with the Suez region, as far back as 1300 B. C. The waterway fell into disuse, and it was not until about 285 B.C. that Philadelphus, the second of the Polemies, connected the link so that the waters of the Mediterranean and the Red seas mixed.

This column written and edited by the Senior Class of Meadow Lake Union High School.

Hear Speaker

Charles Ochs, who spent three years and nine months in the U.S. Navy, spoke to the faculty and students on Monday on the USS Boise. This ship, Ochs said, fought four different nations in less than a year. In spite of the many battles in which the ship engaged, it is now being used as a troop carrier. The Boise, which carried General MacArthur at one time, had more hours in the combat zones than any other ship in the fleet, Ochs said.

Superintendent Visits

Walter A. Carlson, county superintendent of schools, visited high school last week.

Service Man Speaks

Dale Lapish, SeaBee, spoke to the high school last week on his experiences in the Pacific and Japan, with special reference to Nagasaki, site of the atom bomb, where he saw service during the past two years. Richard Rossi and SeaBee Holly B. Garrett were also visitors.

Law Effects Students

A new law effective this year states that a special examination on the U. S. Constitution and American History must be passed by each high school student before a diploma can be received. The members of the senior class this year have already met this requirement.
